ABOUT ME

- Hello, My name is Munteanu Florin, I am a beginner in web developer, my background is a 6-month course at www.Scoalainformala.ro. I learned Html, Css, Javascript, a bit of React, Angular and Node.js. During this course I discovered that I like programming, but in order to gain more knowledge in this field I need a friendly environment and people willing to teach me.

EDUCATION

Diploma in Front-End Web Development 2018-2019

Diploma in Entrepreneurship 2019-2020
